

# Hidden Giants training programmes

Hidden Giants is an education consultancy that collaborates with teachers, practitioners and policy makers. We support schools to re-imagine their curriculum by placing innovative, creative and critical thinking at its heart.

Hidden Giants offer intensive training programmes to meet modern professional needs across the school sector. Programmes can be delivered in a single day, or scheduled across three twilight sessions. Suitable for teachers, support staff, managers and leaders, Hidden Giants' programmes are brought to your school by expert facilitators.

## Curriculum design

Hidden Giants demonstrate how teachers and pupils can be active designers of the curriculum. Teachers can reassert their professional judgement and exercise greater autonomy to enable pupils to lead their own learning.

## Programme attendees will:

- Gain an overview of the key ideas about curriculum design and teacher agency
- Reposition the curriculum more resonantly with the lives of pupils, families and the extended community
- Understand how facilitating the curriculum as a lived-experience can improve behaviour, engagement, well-being and attainment

**Costs:** £1250 + VAT

**Venue:** Hidden Giants prefer to work in your school. However, programmes can be delivered in independent venues subject to negotiation and additional fees.

**Duration:** Programmes last one full working day, usually 9.30am – 4pm, or can be delivered as three 2 hour twilight sessions. Contact us to discuss your needs.

“Hidden Giants are creating an ethos among the teaching staff and management and encouraging us as practitioners to use our autonomy as teachers, and do what is right for the children in our classrooms to help with engagement and learning.”
